

IN THE STATE COURT OF HOUSTON COUNTY
STATE OF GEORGIA

ORDER RELAXING MASK REQUIREMENT FOR STATE COURT

As a result of the significantly lower hospitalization and infection rates, the Court hereby eliminates the mask mandate for State Court. All persons who wish to continue to wear a mask are encouraged to do so, but the previous order requiring masks is hereby VACATED. Should conditions warrant reinstatement, the Court will act accordingly in close consultation with healthcare officials.

SO ORDERED this 21 day of Oct, 2021.
