This Standing Order governs the use of artificial intelligence ("AI") tools in preparation of all briefs, proposed orders, and other written submissions filed in this Court's criminal and civil dockets, and it applies to all attorneys, parties, and *pro se* litigants:

Certification:

Any attorney or party proceeding without an attorney ("*pro se* litigant") who uses AI in any capacity to prepare, draft, or review a filing shall disclose such use in the document with the following certification:

This document was generated with the assistance of [identify AI tool(s) used, e.g. Chat GPT, Perplexity, Claude, etc.].

I hereby certify under penalty of perjury that, despite reliance on an AI tool, I have independently reviewed this document to confirm accuracy, legitimacy, and use of good and applicable law.

I hereby certify under penalty of perjury that every citation to law, case, statute, or the record in this document has been verified as accurate and that it exists as cited and for the proposition cited.

The above certification must appear at the end of the document, before the signature block.

Compliance:

Failure to comply with this Order may result in the Court taking appropriate action, including without limitation striking the filing, imposing sanctions, or disciplinary referral.

Mistake, lack of technical expertise, or time constraints will not be accepted as good faith excuses for noncompliance.

The use of AI does not relieve any attorney or "*pro se*" litigant of their ethical obligations and/or professional obligations such as Georgia Rules of Professional Conduct 1.1 and 3.1.

This Order is effective immediately and applies to all filings submitted after the date of entry.
